

# **Catholic Leadership Formation Program**

## PURPOSE:

To enable senior leaders, staff, board members and volunteers in Catholic Healthcare and Social service organizations to more effectively carry out their unique responsibilities as leaders of Catholic organizations.

#### **GOALS:**

- ♣ Provide a learning and living experience that is not available in other professional or academic programs for leaders in Catholic organizations.
- ♣ Create a space for reflection that enables a person to better know one's self and one's call as a leader within a Catholic organization.
- ♣ Expand one's ability to articulate the unique role of Catholic health and social services in contemporary society.
- ♣ Enrich one's vocabulary to better articulate the Church's mission in health and social service
- Understand the rich heritage of Catholic social teaching.
- ♣ Ensure the on-going development of Catholic health and social services by mentoring leaders.

#### PROCESS:

The learning process for the *Foundations in Leadership for Catholic Organizations* focuses upon adult learning styles, inter-active presentations and periods of personal and group reflection. A selection of articles and books provide a base for discussion and reflection. The time together also provides a space for personal development. People are encouraged to leave work at work and live together for the two sessions.
