

Dear Friends,

2018 has been a year filled with new ventures on the part of many of our facilities. You are to be commended for your continued passion in ensuring that those who access our services continue to be cared for and served with genuine concern and competence.

May 2019 find each of us imbued with continued zeal and courage to promote the healing mission of Jesus in all our health care ministries.

On behalf of our CEO, Dr. Robert Stewart, the staff and Board of Directors of Catholic Health International, our prayer is that we rejoice in the birth of the Christ Child and be filled with peace, joy and good health.

Blessings,
Anita Holmes, SCIC
Chair, Catholic Health International Board of Directors
