

St. Joseph's Hospital CORE VALUES

The values of St. Joseph's Hospital guide all our decisions and practices.

RESPECT

We value the dignity of each person and offer compassion and empathy in all our relationships.

HEALTH

We value activities and organizational structures that promote healthy citizens and communities.

QUALITY CARE

We value excellence and provide care with integrity and accountability.

INNOVATION

We value creativity and leadership expressed through mutually affirming collaborations with our partners in care provision and research.

We pledge our continued commitment to meet the changing needs of those we serve...
