

*St. Joseph's Continuing Care Centre*

## Welcome to St. Joseph's Continuing Care Centre

Before you came to join us here at St. Joseph's, a group of staff and residents/patients gathered here to bless this room.

Our prayer was that this room would be a welcoming and safe home for you.

We left behind this butterfly card as a token of those prayers and as a welcome for you.

It is a reminder of God's care and protection.

Welcome!
