

National **Catholic Health Care Week 2020**

# Bulletin Announcement

**To run September 27 and/or October 4, 2020**

From October 4 to 10, we celebrate National Catholic Health Care Week across Canada. The Week recognizes the inspiring work of Catholic health care organizations in our province and across Canada. At the heart of Catholic health care is a deep respect for the intrinsic value and dignity of every human being and an unwavering commitment to serving all people, from all backgrounds and faiths—especially society’s most vulnerable.

This year the COVID-19 pandemic transformed our health care landscape and society. In Canada, the pandemic has shone a public light on many important social and ethical issues calling us all to reflect on the importance of human connection, quality of life, and the meaning of wellbeing—body, mind and spirit. The pandemic has also highlighted the timeless relevance of Catholic social teaching and our collective role in building a Canadian society that reaches out to every person who is suffering from illness, stigma, poverty, or loneliness.

During National Catholic Health Care Week, we give thanks for the courageous gift of Catholic health care during these challenging times—in hospitals, community health centers, or seniors care homes.

The pandemic calls us all to live the healing ministry of Jesus Christ. Holding all those impacted by COVID-19 in our hearts, we ask God to bless the work of Catholic health care and we offer our prayers, support, and encouragement for the people of our Catholic health organizations who care for all in need with compassion and courage.

For more information about Catholic health care in Canada or the week, please visit the Catholic Health Alliance of Canada website at [www.chac.ca](http://www.chac.ca)
