## Hotel Dieu Shaver celebrates its 15<sup>th</sup> Anniversary

In 2005 Hotel Dieu Hospital (established in 1953) assumed the governance and management of the Shaver Hospital (established in 1909) as a result of new directions for health care restructuring by the Ontario Ministry of Health and Long Term Care to form Hotel Dieu Shaver. In October of 2020 staff, trustees, physicians, staff, volunteers, patients and loved ones celebrated that milestone with a BBQ in the Healing Garden. Catholic Health International wishes to congratulate Hotel Dieu Shaver Health and Rehabilitation Centre on this special occasion.

## Catholic Health Association of the United States “We are Called” anti-racism initiative

The Catholic Health Association of the United States continues its work on fighting racism through its “We are Called: Confronting Racism by Achieving Health Equity” initiative. You can sign up to receive updates from the CHAUS on their efforts and share resources and best practices.

Please play a part in “efforts to achieve equity in our own health systems, facilities and communities and to advocate systemic change in the wider health care sector and our society.”

We, at CHI, will also keep links to this material on our website at <http://catholicehealthpartners.com/anti-racism-resources>

*“We cannot tolerate or turn a blind eye to racism and exclusion in any form and yet claim to defend the sacredness of every human life.”*
